Feedback on Witch circle, the first single from Fairytales :

« I really liked everything about it. It's perfect. » – Tannus Estúdio

« Really well done! » – NewAir

« something strange, eerie and haunting that I like. The voice sounds possessed, which fits in well with the song's title. » – Adopte Un Disque

« Super creative and inspired. Makes me think of Björk » – E.Pelosoff

« This is so cool wow. one of my favorite productions I've heard this week. very cool album mix. interesting » – RashBash

« Another awesome song. I enjoyed the music arrangement. The different electronic sound designs were amazing. You sang beautifully and you sounded so mesmerising and hypnotic. You hit those high notes so effortlessly. It was awesome. The melody and rhythm was amazing. I thought the chorus was catchy. It was also well produced. The beat was so cool in fact this song was a bit haunting. I loved it » – Music Connoisseur

The album

This 3rd album is all about magic and feminism. Witch Circle is the first single and music video on the symbol of women's power : witchcraft.

This new project is more personal than ever, more intimate about Dame Zina's inner thoughts and secret garden...

Faithful to their electro rock style, they are compared to Portishead's intimacy, Björk's artpop, Rita Mitsouko's craziness and Kate Bush's high pitches.

Always exploring many different styles, the album has touches of electro, artpop, synthpop, experimental, industrial rock, spoken words and even ends with a folk song.

Dame Zina

A daughter/father French duo, Dame Zina writes and sings, Y composes, plays, writes and produces. They write in English and French on what matters to them: feminism, freedom and emotions. After a first album in 2020, they continued with a wave of pop, rock and electronica singles and EPs in 2022 and many videos, and a 2nd album of original songs and remixes in 2023. And for remixers, all the stems are free to download (remix.damezina.com).

Sirène French / art pop
Fairytale opens with a very personal and poetic song, about Dame Zina's inner fight and feeling of freedom from the patriarchy.

Witch Circle English / electro rock
This second song was released as a single before the full album, with a music video about sorority and the magic of womanhood.

On a rainbow English / electro rock
This third song is a new mix of a song we initially released as a single in 2022, about love, and how it can come in any color...

Alone English / synthwave
We need for time for ourselves to see the world more clearly, and anyone who invades this privacy shall be damned !

Palace English / synthwave
What could be if the world was as flexible as our dreams ? Dame Zina travels to a place where anything is possible.

Morphée French / pop
Love is a mystery, yet we are all fascinated by it. The freedom intimacy offers is more powerful than any magic.

Fatalités French / art pop
Anxiety holds a big place in Dame Zina's life, This French song explores the fight for live despite it.

Golden dust English / experimental rock
This song is a story put into music, about how anything is possible as long as we don't convince ourselves otherwise.

Once upon a time English / experimental rock
This is a love story about a princess in a tower and an explorer, ...except the explorer is also a woman, the tower isn't a prison and the tale takes place in space !

Dragons and fairies English / experimental rock
This song is also a story, inspired by Dame Zina's other artistic activity : the children's books she writes and illustrates about equality through magical creatures.

Missis sun and Lady moon English / electro / art pop
The sun and the moon have always inspired poets, here Dame Zina imagines their romance as lesbian lovers.

Eau French / electro / art pop
Water holds so much power, it changes shape, pours when we're sad and cleans when we're done...

Master goddess English / house / electro rock
Video game time... Lets take our crown and put it back on our heads ladies, for now is the time for girl power !

La nuit French / electro / art pop
At night, anything's possible, our dreams are more vivid than ever, our fears take much more space, our fantasies become possible.

Lullaby for a fairy English / folk
To finish this album with a soft touch, this lullaby is a little tale of element fairies...
